

Golden Week course 2023

Hi! My name is **Hamilton** and I'll be your English Instructor for the Advanced level. The lesson content will help you **practice** and **enhance** your **current** English ability. It is a combination of the Advanced lessons I personally created from January 2023 to the present. You will have printouts for each lesson. It is recommended you take time to write in your answers, however, it is not necessary. There will be **open discussion, debate, and role playing.**
