

Golden week Intensive Course 2023

Hi! My name is Mimmi and I'll be your English Instructor for this course. We will be going through new vocabularies and grammar points, discussing different topics, and learning useful idioms and phrases to use in your daily conversations. Let's have fun studying English together! I hope this course will help you become more confident in expressing yourself in English and hope you will have the opportunity to improve your language skills!

Teacher profile:

I'm originally from California! I have studied abroad in Europe and Japan before, and graduated with an English Literature degree last year. I have been living in Tokyo since last year and I'm currently working as an English teacher here. In my free time I enjoy doing outdoor sports, sightseeing, and spending time with friends.
