About the teacher: I am from America! I was born and raised in the state of Pennsylvania, and have also lived in India for a few years because that is where my family is from. I attended a Japanese high school in Tokyo for one year, from August 2015 to July 2016. In September 2018 I moved back to Tokyo. Currently I am studying Japanese media at Waseda University, and plan to spend the rest of my life in Japan! I enjoy learning other languages, cultures, and meeting new people; in my free time I enjoy art/creative activities, and I also work at a maid cafe in Akihabara. I am excited to get to know you and be apart of your English journey!
