

Winter Intensive Course 2020

Hi! My name is Autumnne and I'll be your English Instructor for this winter course. Together we will be exploring the mechanisms of good conversation skills. Looking at a few grammar points and a variety of vocabulary within the context of pop culture and current affairs to aid in easy and natural communication. The aim of this course is to learn English but also to have fun!

About the Teacher: I'm originally from the beautiful island of Jamaica which is known for Reggae music, rum and our white sand beaches. I moved to Japan in July of 2018 to study japanese and to learn more about its interesting culture. So far, it has been a wonderful experience and I can't wait to see what happens next. Some of my interests include hiking, latin dance and trying out new restaurants.
